## RAJYA SABHA

The following Bill was introduced in the Rajya Sabha on the 26th August, 1987:—

BILL No. XXXI OF 1987

*A Bill further to amend the Indian Medical Council Act, 1956.*

BE it enacted by Parliament in the Thirty-eighth Year of the Republic of India as follows:—

1. (1) This Act may be called the Indian Medical Council (Amendment) Act, 1987.

(2) It shall come into force on such date as the Central Government may, by notification in the Official Gazette, appoint; and different dates may be appointed for different provisions of this Act.

2. In the Indian Medical Council Act, 1956 (hereinafter referred to as the principal Act), for the long title, the following long title shall be substituted, namely:—

“An Act to provide for the reconstitution of the Medical Council of India for the purpose of co-ordination and determination of standards of medical education the regulation of the practice of medicine, and the maintenance of a Medical Register for India and for matters connected therewith.”

3. In section 2 of the principal Act,—

(i) for clause (a), the following clauses shall be substituted, namely:—

“(a) “appointed day” in relation to any provision of this Act means the date appointed under sub-section (2) of section 1 or, as the case may be, under section 12 of the Indian Medical

Short  
title and  
commen-  
cement.

Substitu-  
tion of  
a new  
long  
title  
for  
long  
title.

Amend-  
ment of  
section  
2.

102 of  
1956.

Council (Amendment) Act, 1987 for the commencement of such provision;

(ab) "approved institution" means a hospital, health centre or other such institution recognised by the Council, or by a University, with the approval of the Council, as an institution in which a person may,—

- (i) undergo any training; or
- (ii) be engaged as a medical resident,

as part of his course of study either before or after the award of any medical qualification to him;

(ac) "Branch Medical Register" means a Chapter of the Indian Medical Register for a State maintained by a branch of the Council under sub-section (3) of section 6.

(ii) after clause (b), the following clause shall be inserted, namely:—

'(c) "foreign student" means a student who is not a citizen of India;';

(iii) in clause (d), the words "and includes the Branch Medical Register" shall be added at the end;

(iv) after clause (d), the following clause shall be inserted, namely:—

'(dd) "medical college" means any institution (by whatever name called) in which a person may undergo a course of study or training (including any post-graduate course of study or training) which would qualify him for the award of any recognised medical qualification;';

(v) after clause (e), the following clause shall be inserted, namely:—

'(ee) "medical practitioner" means a person,—

(i) who possesses any of the primary medical qualifications and whose name has been enrolled in the Indian Medical Register;

(ii) whose name has been deemed to have been enrolled in the Indian Medical Register;';

(vi) after clause (g), the following clause shall be inserted, namely:—

'(gg) "primary medical qualification" means a medical qualification included in column 3 of any of the Schedule;';

(vii) for clause (i), the following clause shall be substituted, namely:—

'(i. "regulation" means any regulation made by the Council under this Act;'.

4. In section 3 of the principal Act, in sub-section (1),—

(i) after clause (a), the following clause shall be inserted, namely:—

"(aa) one member to represent all the Union territories to be nominated by the Central Government in consultation with the Governments of all the Union territories;";

(ii) for clauses (c) and (d), the following clauses shall be substituted, namely:—

“(c) one member from each State to be elected by persons enrolled or deemed to have been enrolled in the Branch Medical Register maintained for that State from amongst themselves, who possess the medical qualifications included in the First or the Second Schedule or in Part II of the Third Schedule;

(d) three members to be elected by persons enrolled or deemed to have been enrolled in any of the Branch Medical Registers from amongst themselves, who possess the medical qualifications included in Part I of the Third Schedule;”;

(iii) after clause (e), the following clauses shall be inserted, namely:—

“(f) the Director General of Health Services, *ex officio*;

(g) the Director General, Armed Forces Medical Services, *ex officio*.”.

5. In section 5 of the principal Act, for sub-section (1), the following sub-section shall be substituted, namely:—

Amend-  
ment of  
section  
5.

“(1) No person shall be eligible for nomination under clause (a) or clause (aa) of sub-section (1) of section 3 unless,—

(i) he possesses any of the medical qualifications included in the First or Second Schedule;

(ii) he resides in the State concerned or, as the case may be, in any of the Union territories; and

(iii) his name has been enrolled or deemed to have been enrolled in the Branch Medical Register concerned.”.

6. Section 6 of the principal Act shall be renumbered as sub-section (1) thereof and after sub-section (1) as so renumbered, the following sub-sections shall be inserted, namely:—

Amend-  
ment of  
section  
6.

“(2) The headquarters of the Council shall be at New Delhi and it shall establish a branch in each State.

(3) Every branch of the Council established for a State under sub-section (2) shall maintain in relation to that State a Branch Medical Register for the purpose of enrolment under this Act of medical practitioners.”.

7. After section 6 of the principal Act, the following section shall be inserted, namely:—

Insertion  
of new  
section  
6A.

“6A. The objects of the Council shall be,—

(a) to co-ordinate and determine the standards of medical education in India at all levels;

(b) to regulate the practice of medicine in India by persons possessing recognised medical qualifications;

(c) to maintain the Indian Medical Register;

(d) to advise the Central Government in matters relating to the requirements of manpower in the field of medicine; and

Objects  
of the  
Council.

(e) to improve the standards of medical education at all levels and to undertake periodical review of such standards.”.

Amend-  
ment of  
section  
7.

8. In section 7 of the principal Act,—

(a) in sub-section (3), for the words “State Medical Register”, the words “Branch Medical Register” shall be substituted;

(b) after sub-section, (4), the following sub-section shall be inserted, namely:—

“(4A) Notwithstanding anything contained in sub-sections (1), (2) and (4), no member of the Council shall be entitled to hold office beyond a period of six months after the expiry of his term as such member.”.

Amend-  
ment of  
section  
8.

9. In section 8 of the principal Act,—

(a) to sub-section (1), the following proviso shall be added, namely:—

“Provided that the President of the Council may call for a special meeting of the Council at any time after giving to the members fifteen days’ notice in writing, if he,—

(a) considers that any matter of importance is required to be discussed urgently;

(b) receives a requisition in writing signed by not less than one-fourth of the total members of the Council holding office for the time being stating that any matter of importance (other than any matter which has been rejected or withdrawn within one year before such requisition) is required to be discussed urgently.”;

(b) in sub-section (2), for the words “fifteen members of the Council”, the words “one-fourth of the total members of the Council holding office for the time being” shall be substituted.

Amend-  
ment of  
section  
9.

10. Section 9 of the principal Act shall be renumbered as sub-section (1) thereof, and—

(a) in sub-section (1) as so renumbered, in clause (2), for the words “appoint a Registrar”, the words “appoint a Registrar out of a panel of three names provided by the Central Government,” shall be substituted;

(b) after sub-section (1) as so renumbered, the following sub-section shall be inserted, namely:—

“(2) The Registrar shall, as far as practicable, attend all the meetings of the Council, the Executive Committee and such other Committees as may be constituted by the Council.”.

Amend-  
ment of  
section  
10.

11. In section 10 of the principal Act, for sub-section (1), the following sub-section shall be substituted, namely:—

“(1) The Executive Committee (hereinafter referred to as the Committee) shall consist of the President, Vice-President, the Director General of Health Services and the member referred to in clause (aa) of sub-section (1) of section 3, who shall be members *ex*

*officio*, and eleven other members of the Council, of whom six shall be elected by the Council from among the members referred to in clause (b) of sub-section (1) of section 3, three shall be elected from among the members referred to in clauses (c) and (d) of that sub-section and one each shall be elected from the members referred to in clauses (a) and (e) of that sub-section."

12. After section 10 of the principal Act, the following sections shall be inserted with effect from such date as the Central Government may, by notification in the Official Gazette, appoint, namely:—

Insertion  
of new  
sections  
10A to  
10G.

'10A. (1) Notwithstanding anything contained in any other law for the time being in force, on and from the appointed day,—

Permis-  
sion for  
the estab-  
lishment  
of new  
medical  
college,  
new  
course of  
study, etc.

(a) no person shall establish a medical college; or

(b) no medical college shall,—

(i) open a new or higher course of study or training (including a post-graduate course of study or training) which would enable a student of such course or training to qualify himself for the award of any recognised medical qualification; or

(ii) increase its admission capacity in any course of study or training (including a post-graduate course of study or training),

except with the previous permission of the Council obtained in accordance with the provisions of this section.

*Explanation I.*— For the purposes of this section and sections 10D, 10E and 10F, "person" includes any University or a trust.

*Explanation II.*—For the purposes of this section, "admission capacity", in relation to any course of study or training (including post-graduate course of study or training) in a medical college, means the maximum number of students that may be fixed by the Council from time to time for being admitted to such course or training.

(2) (a) Every person or medical college shall, for purpose of obtaining permission under sub-section (1), submit to the Council a scheme in accordance with the provisions of clause (b).

(b) The scheme referred to in clause (a) shall be in such form and contain such particulars and be preferred in such manner and be accompanied with such fee as may be prescribed.

(3) On receipt of a scheme under sub-section (2) and after obtaining such other particulars as may be considered necessary by the Council from the person or the medical college concerned, it may,—

(a) if the scheme is defective and does not contain any necessary particulars, by order refuse the permission summarily setting out the grounds for such refusal, or

(b) consider the scheme, having regard to the factors referred to in sub-section (9), and submit the scheme together with its recommendations thereon to the Central Government:

Provided that before refusing the permission under clause (a), the Council shall give a reasonable opportunity of making a written

representation to the person concerned and it shall be open to that person to submit the scheme after rectifying the defects, if any, set out in the order of refusal.

(4) The Central Government may, after considering the scheme and the recommendations of the Council under sub-section (3) and having regard to the factors referred to in sub-section (9), either approve or disapprove the scheme:

Provided that no scheme shall be disapproved by the Central Government except after giving the person concerned and the Council a reasonable opportunity of making a written representation.

(5) Where the Council to which a scheme has been submitted under sub-section (2) does not refer such scheme to the Central Government for approval along with its recommendations under sub-section (3) within a period of six months from the date of receipt of such scheme by it, it shall be open for the person concerned to submit the scheme directly to the Central Government for approval.

(6) The provisions of sub-section (4) relating to the approval or disapproval of a scheme submitted to the Central Government under sub-section (3) shall, so far as may be, apply to a scheme submitted under sub-section (5).

(7) Where, within a period of one year from the date of submission of the scheme to the Central Government under clause (b) of sub-section (3) or, as the case may be, under sub-section (5), no orders passed by the Central Government have been communicated to the person submitting the scheme, such scheme shall be deemed to have been approved by the Central Government in the form in which it had been submitted, and accordingly, the permission of the Council required under sub-section (1) shall also be deemed to have been granted.

(8) In computing the time limits specified in sub-section (5) or sub-section (7), the time taken by the person submitting the scheme, in furnishing any particulars called for by the Council, or by the Central Government, shall be excluded.

(9) The Council while making its recommendations under clause (b) of sub-section (3) and the Central Government while passing an order, either approving or disapproving the scheme, under sub-section (4) or sub-section (6), as the case may be, have due regard to the following factors, namely:—

(a) whether the proposed medical college or the existing medical college seeking to open a new or higher course of study or training, would be in a position to offer the minimum standards of medical education as prescribed by the Council under section 19A or, as the case may be, under section 20 in the case of post-graduate medical education;

(b) whether the person seeking to establish a medical college or the existing medical college seeking to open a new

or higher course of study or training or to increase its admission capacity has adequate financial resources;

(c) whether necessary facilities in respect of staff, equipment, accommodation, training and other facilities to ensure proper functioning of the medical college or conducting the new course of study or training or accommodating the increased admission capacity have been provided or would be provided within the time-limit specified in the scheme;

(d) whether adequate hospital facilities, having regard to the number of students likely to attend such medical college or course of study or training or as a result of the increased admission capacity have been provided or would be provided within the time-limit specified in the scheme;

(e) whether any arrangement has been made or programme drawn to impart proper training to students likely to attend such medical college or course of study or training by persons having the recognised medical qualifications;

(f) the requirement of manpower in the field of practice of medicine; and

(g) any other factors as may be prescribed.

(10) Where the Central Government passes an order either approving or disapproving a scheme under this section, the Council shall, by an order in writing, grant or refuse the permission applied for under this section to the person concerned and a copy of its order together with a copy of the order passed by the Central Government shall be communicated to such person.

10B. (1) No foreign student shall be admitted to any course of study or training (including a post-graduate course of study or training) in a medical college except under and in accordance with the rules made in this behalf by the Central Government.

Admission  
foreign  
students  
and  
reserva-  
tion.

(2) In every medical college, provision shall be made for the reservation of seats for admission of students belonging to the Scheduled Castes and Scheduled Tribes to any course of study or training in accordance with the orders relating to such reservations issued by the Government from time to time.

*Explanation.*—In this section, “Scheduled Castes” and “Scheduled Tribes” shall have the same meanings as are assigned to them in clauses (24) and (25) of article 366 of the Constitution respectively.

10C. (1) The Council may, with the previous sanction of the Central Government, make regulations, by notification in the Official Gazette, to provide for the payment of the tuition fee or any other fee or deposit or other amount from, or in relation to, any student of a medical college either for admission to, or for the prosecution of any course of study, or training (including post-graduate course of study or training) in medical colleges.

Power to  
make regu-  
lations to  
provide  
for fees  
being  
charged by  
medical  
colleges.

(2) In particular, and without prejudice to the generality of the foregoing power, such regulations may provide for all or any of the following matters, namely:—

(a) different scales of fees for different classes of medical colleges and for Indian students and foreign students;

(b) the fees payable at the time of transfer of a student from one medical college to another medical college;

(c) any other matter which is necessary to regulate the levy and collection of fees in medical colleges.

(3) The Council, while framing regulations under this section, shall have regard to the following matters, namely:—

(a) the status of the medical college, that is to say, whether such college is a college established and administered by Government or a college to which financial aid is given by Government or a private medical college;

(b) the minimum standards of medical education required to be provided in relation to any course of study or training in a medical college so as to be in conformity with the minimum standards prescribed by the Council in this behalf;

(c) the nature of any course of study or training (including post-graduate course of study or training) in a medical college and the examination to be undergone and the proficiency required from students for obtaining any recognised medical qualification;

(d) the staff, equipment, accommodation, training and other facilities required to be provided for in any course of study or training in a medical college;

(e) any other relevant factor that may be prescribed.

*Explanation.*—For the purposes of this section and section 10D, “student” includes a person seeking admission into a medical college as a student.

10D. No medical college or person who is in charge of, or is responsible for, the management of any medical college, shall,—

(a) accept, either directly or indirectly, any donation, gift or other payment (by whatever name called), whether in cash or in kind, or any amount by way of capitation fee; or

(b) receive any fee or amount in excess of the scales of fees prescribed by the Council,

from, or in relation to, any student, whether Indian or foreign, in connection with the admission or transfer of such student to, or as the case may be, the prosecution by such student of, any course of study or training in such medical college.

*Explanation.*—Where any donation, gift or any amount by way of capitation fee or other payment (by whatever name called), whether in cash or in kind and whether voluntary or otherwise, is collected or accepted or paid to the credit of, any medical college (either directly or indirectly) from, or in relation to, any student, whether Indian or foreign, at any time during the period when admissions are made into such medical college or transfers of students are made from one course of study to any other course of study in such medical college or at any time within a period of one year immediately preceding, or fol-

Prohibition of collection of capitation fee, donation, etc.

lowing, the period of admissions or transfers aforesaid, such donation, gift, capitation fee or other payment shall be deemed, for the purposes of this section, to have been collected or accepted by such medical college for the admission of such student or for the transfer of such student from one course of study to another course of study in such medical college.

10E. (1) Where the Council on its own motion or on any representation received or otherwise is satisfied that any person or medical college has contravened all or any of the provisions of section 10A, section 10B or the rules made or orders issued thereunder, or section 10D, it may, with the previous approval of the Central Government, pass an order subject to such conditions as it may think fit to impose, prohibiting the medical college concerned from presenting,—

Prohibition  
of awarding  
degrees  
in certain  
cases

(a) in the case of the first contravention, only that batch of students in relation to which the contravention has been made, to any University or medical institution for taking any examination which would enable such students to qualify themselves for the award of any recognised medical qualification; and

(b) in the case of any second or subsequent contravention, any student to any University or medical institution for taking any examination which would enable such student to qualify himself for the award of any recognised medical qualification:

Provided that no such order in relation to a medical college shall be passed by the Council unless the medical college concerned has been given a reasonable opportunity of making a written representation against the proposed order.

(2) A copy of any order passed by the Council under sub-section (1) shall be communicated to the medical college concerned and a copy thereof shall simultaneously be forwarded to the University or medical institution concerned.

(3) Notwithstanding anything contained in any other law for the time being in force, an order passed by the Council under sub-section (1) and communicated to the University or medical institution under sub-section (2) shall be final and binding on the said medical college, University or medical institution.

(4) Any medical qualification granted to any student of such medical college on the basis of any examination or other test held after the date of communication of the order to the University or the medical institution under sub-section (2) shall cease to be a recognised medical qualification in relation to such student for the purposes of this Act.

(5) Where an order has been passed by the Council under sub-section (1) in relation to any medical college, the Central Government may, on its own motion or on any representation received by it, if it is of the opinion that it is necessary or expedient so to do in the interests of the students of such medical college, take such steps as may be considered necessary to safeguard the interests of students studying in such medical college.

Penalty  
for con-  
traven-  
tion of  
the pro-  
visions  
of sec-  
tion 10I.

10F. (1) Whoever contravenes the provisions of section 10D shall, without prejudice to the provisions of section 10E, be punishable with imprisonment for a term which shall not be less than three years but which may extend to seven years and with fine which may extend to five thousand rupees.

(2) Where a conviction is made under sub-section (1), the court may, in addition to awarding any punishment under that sub-section, by order in writing, require the medical college or any other person convicted to refund the money so collected in excess to the person from whom it was collected within such period as may be specified in the order.

Offences  
by com-  
panies.

10G. (1) Where an offence under section 10D has been committed by a company, every person who at the time the offence was committed, was in charge of and was responsible to the company for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of the offence and shall be liable to be proceeded against and punished accordingly:

Provided that nothing contained in this sub-section shall render any such person liable to any punishment if he proves that the offence was committed without his knowledge or that he had exercised all due diligence to prevent the commission of such offence.

(2) Notwithstanding anything contained in sub-section (1), where any offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall be deemed to be guilty of that offence and shall be liable to be proceeded against and punished accordingly.

*Explanation.*—For the purposes of this section,—

(a) “company” means any body corporate and includes a firm, a society, a trust or other association of individuals; and

(b) “director” in relation to—

(i) a firm, means a partner in the firm;

(ii) a society, trust or other association of individuals, means the person who is entrusted under the rules of the society, trust or other association with the management of the affairs of the society, trust or other association, as the case may be.

Amend-  
ment of  
section  
11.

13. In section 11 of the principal Act,—

(a) for sub-section (1), the following sub-section shall be substituted, namely:—

“(1) The primary medical qualifications and additional medical qualifications specified in columns (3) and (4) respectively of the First Schedule granted by any University or medical institution in India and specified in column (1) of the said Schedule and in respect of which a course of study or training is undergone in the medical college specified in column (2) of the said Schedule, shall be recognised medical qualifications for the purposes of this Act.”;

(b) in sub-section (2),—

(i) for the words “after consulting the Council”, the words “after obtaining the recommendations of the Council in this behalf” shall be substituted;

(ii) the following provisos shall be inserted at the end, namely:—

“Provided that no such recommendation shall be made by the Council unless it has examined in detail the syllabus, the courses of study and training and the examinations conducted by such University or medical institution:

Provided further that where the Council after such examination is not satisfied, it may indicate the deficiencies and recommend that the medical qualification awarded by such University or medical institution may be included in the First Schedule subject to the removal of the deficiencies by the University or medical institution before a certain period:

Provided also that where the Council makes a recommendation under the second proviso, the Central Government may, by notification in the Official Gazette, amend the First Schedule so as to include such medical qualification therein and may also direct that an entry shall be made against such medical qualification declaring that it shall be a recognised medical qualification only for such temporary period not exceeding three years as may be specified in the notification.”;

(c) after sub-section (2), the following sub-section shall be inserted, namely:—

“(3) Any medical college in India offering a course of study or training which would enable the students to qualify themselves for obtaining any of the recognised medical qualifications specified in the First Schedule, but whose name has not been included in the First Schedule for that course, may apply to the Central Government to have its name included in the First Schedule for the said medical qualifications, and the Central Government, after obtaining the recommendations of the Council in this behalf, may, by notification in the Official Gazette, amend the First Schedule so as to include the said medical college and the medical qualification and the University or medical institution awarding such medical qualification:

Provided that no medical college which requires previous permission of the Council for its establishment under section 10A shall be entitled to apply under this section unless such previous permission has been granted to it by the Council:

Provided further that no such recommendation shall be made by the Council unless it has satisfied itself, as a result of any inspection of the medical college or otherwise about the facilities available for conducting the course of study or training concerned:

Provided also that where the Council is not so satisfied, it may indicate the deficiencies and recommend that the medical

college may be included in the First Schedule subject to the removal of the deficiencies by the medical college before a certain period:

Provided also that where the Council makes a recommendation under the third proviso, the Central Government may, by notification in the Official Gazette, amend the First Schedule so as to include the medical college and the medical qualification and the University or medical institution awarding such medical qualification and may also direct that an entry shall be made against such medical qualification declaring that it shall be a recognised medical qualification only for such temporary period not exceeding three years as may be specified in the notification."

Insertion  
of new  
section  
11A.

14. After section 11 of the principal Act, the following section shall be inserted, namely:—

Recogni-  
tion of  
post-  
graduate  
medical  
qualifi-  
cations  
granted  
by other  
exami-  
ning  
bodies.

"11A. The post-graduate medical qualifications granted by any examining body (other than a University or medical institution referred to in section 11), which the Central Government may, after consultation with the Council, by notification in the Official Gazette, include in the First Schedule shall be recognised medical qualifications for the purposes of this Act."

Amend-  
ment of  
section  
13.

15. In section 13 of the principal Act, in sub-section (3), for the words "any State Medical Register", the words "the Indian Medical Register" shall be substituted.

Amend-  
ment of  
section  
14.

16. In section 14 of the principal Act,—

(a) in sub-section (1), for the words "recognised medical qualifications", the words "primary medical qualifications" shall be substituted;

(b) in sub-section (2), for the words "recognised medical qualification", the words "primary medical qualification" shall be substituted.

Insertion  
of new  
sections  
14A and  
14B.

17. After section 14 of the principal Act, the following sections shall be inserted, namely:—

Restric-  
tions on  
practice  
of medi-  
cine by  
foreign  
nationals.

"14A. Except as otherwise provided in this Act, no person, other than a citizen of India, shall be entitled for enrolment on the Indian Medical Register:

Provided that where a country in respect of which a scheme of reciprocity for the recognition of medical qualifications is in force, a person of such country shall, subject to such restrictions as may be prescribed, be eligible for such enrolment if he holds any primary medical qualification either from his country or from a University or a medical institution in India:

Provided further that nothing in this section shall apply to a foreign national who is already so enrolled before the appointed day.

14B. (1) The Council may grant temporary registration, for a specific purpose and specified period, which may be renewed or extended further, to a foreign national possessing a primary medical qualification granted by a University or medical institution in India or outside, after satisfying itself that such a person possesses the requisite knowledge and skill to practise medicine and subject to such restrictions as may be prescribed:

Tempo-  
rary regi-  
stration of  
foreign  
nationals.

Provided that medical practice by a person registered under the provisions of this section—

(a) shall be permitted only if he is enrolled as a medical practitioner in accordance with the law regulating the registration of medical practitioners for the time being in force in the country granting the qualification or in his own country;

(b) shall be limited to the institution to which he is attached for the time being for the purpose of teaching, training, research or charitable work; and

(c) shall not engage himself, in any way, in medical practice for personal gain.

(2) The Council may also grant temporary registration to a foreign national possessing a medical qualification which is not included in any of the Schedules to this Act, in order to enable him to undergo higher training in India in any discipline of medicine, whether leading to the award of a medical qualification or not, after satisfying itself that such a person possesses the requisite knowledge and skill to practise medicine and subject to such restrictions as may be prescribed:

Provided that the medical practice of such a person shall be limited to the medical college where he is admitted for such higher training, and for the period of such training and for no other purpose."

18. In section 15 of the principal Act,—

(a) for sub-section (1), the following sub-section shall be substituted, namely:—

Amend-  
ment of  
Section 15.

"(1) Subject to the other provisions contained in this Act, no person shall be entitled for enrolment on the Indian Medical Register unless he possesses any primary medical qualification.";

(b) in sub-section (2),—

(i) for the words "enrolled on a State Medical Register", the words "enrolled or deemed to have been enrolled on the Indian Medical Register" shall be substituted;

(ii) for clause (b), the following clause shall be substituted, namely:—

"(b) shall practise medicine in any part of India;"

(c) in sub-section (3),—

(i) after the word, brackets and figure “sub-section (2)”, the words, brackets and figures “or sub-section (1) of section 22” shall be inserted;

(ii) for the words “one year, or with fine which may extend to one thousand rupees”, the words “two years, or with fine which may extend to two thousand rupees” shall be substituted.

**Amend-  
ment of  
section 19.**

19. In section 19 of the principal Act,—

(a) in sub-section (1), in clause (a), after the words “undergone in”, the words “any medical college affiliated to” shall be inserted;

(b) in sub-section (2), before the words “University or medical institution”, wherever they occur, the words “medical college or” shall be inserted;

(c) for sub-section (3), the following sub-section shall be substituted, namely:—

“(3) The State Government shall make its recommendations to the Central Government,—

(a) where an explanation has been received, within a period of three months from the date of receipt of such explanation; or

(b) where no explanation has been received within the period fixed, then within a period of three months from the date of expiry of that period.”;

(d) in sub-section (4), for the words “The Central Government”, the words “On the receipt of the recommendations of the State Government under sub-section (3), or where no such recommendations have been received within the time limit specified in that sub-section, the Central Government” shall be substituted.

**Insertion  
of new  
section  
19AA.**

20. After section 19A of the principal Act, the following section shall be inserted, namely:—

**Power of  
Council to  
conduct  
certain  
exami-  
nation on  
an all  
India  
basis.**

“19AA. (1) Notwithstanding anything contained in this Act or in any law, rule, order or regulation for the time being in force regulating the admission of students in any medical college, such percentage of seats as the Council may, having regard to the fact that the best and most meritorious students are not denied admission to any course of study or training (including post-graduate course of study or training) in any medical college in the country, specify, be reserved in every medical college in India for being filled up as a result of an examination conducted by the Council on an all India basis.

(2) The examination referred to in sub-section (1) shall be conducted and the allotment of candidates as a result of such examination to various medical colleges shall be made by the Council in such manner as may be prescribed.”.

21. In section 20 of the principal Act,—

(a) in sub-section (1), for the words “the Central Government”, the words “the Council” shall be substituted;

(b) in sub-section (2),—

(i) for the word “nine”, the word “eleven” shall be substituted;

(ii) after the words “post-graduate students of medicine”, the words “for a minimum period of ten years” shall be inserted;

(c) in sub-section (3),—

(i) for the word “Six”, the word “Five” shall be substituted;

(ii) for the word “three”, the word “six” shall be substituted;

(iii) the following proviso shall be inserted at the end, namely:—

“Provided that the Director General of Health Services shall, if he possesses the qualifications and experience specified in sub-section (2), be nominated by the Central Government.”;

(d) for sub-section (4), the following sub-sections shall be substituted, namely:—

“(4) The Post-graduate Committee may, for the purpose of considering post-graduate studies in any subject, co-opt one or more experts in that subject as members of the Committee to assist it in its deliberations:

Provided that every such expert shall have the right to take part in the deliberations of the Post-graduate Committee on any matter, but shall not have the right to vote.

(4A) The Chairman of the Post-graduate Committee shall be elected by the members of that Committee from amongst themselves.

(4B) The Post-graduate Committee shall perform the following functions, namely:—

(a) recommend to the Council the minimum standards of post-graduate medical education;

(b) recommend to the Council the recognition or withdrawal of recognition of any post-graduate medical qualification;

(c) recommend to the Council the opening of a new post-graduate department or medical courses in medical colleges or Universities or medical institutions in India; and

(d) such other functions, including the collection of any information from any medical college, as may be found necessary for the performance of its functions under this Act.”.

Insertion  
of new  
sections  
20B and  
20C.

Ethics-  
cum-Disci-  
plinary  
Com-  
mittee.

22. After section 20A of the principal Act, the following sections shall be inserted, namely:—

"20B. (1) The Council shall, after the appointed day, constitute a Committee, to be known as the Ethics-cum-Disciplinary Committee (hereinafter referred to as the Disciplinary Committee) to deal with all questions relating to the maintenance of the standards of professional conduct and etiquette and the code of ethics by medical practitioners prescribed under sub-section (1) of section 20A and to decide as to whether any medical practitioner has been guilty of infamous conduct in any professional respect.

(2) No name of any registered medical practitioner shall be removed from the Indian Medical Register for the violation of any matter referred to in sub-section (1), except on the recommendation of the Disciplinary Committee.

(3) The Disciplinary Committee shall consist of the President and the Vice-President of the Council and five other members, elected by the Council from amongst its members.

(4) Subject to the provisions of section 20C, the Disciplinary Committee shall follow such procedure as may be prescribed.

Powers of  
the Disci-  
plinary  
Committee.

20C. (1) Whenever any complaint against any medical practitioner is received by the Council to the effect that such medical practitioner has omitted or failed to maintain the standards of professional conduct and etiquette and the code of ethics prescribed under sub-section (1) of section 20A or that such medical practitioner is guilty of any infamous conduct in any professional respect, the Council shall refer the complaint to the Disciplinary Committee for decision and that Committee may, after an inquiry in which the medical practitioner has been informed of the complaint against him and has been given a reasonable opportunity of being heard in respect of the complaint, decide whether or not such complaint is true.

(2) For the purposes of conducting an inquiry under sub-section (1), the Disciplinary Committee shall have the same powers as are vested in a civil court under the Code of Civil Procedure, 1908, while trying a suit, in respect of the following matters, namely:—

5 of 1908.

(a) summoning and enforcing the attendance of any witness and examining him on oath;

(b) the discovery and production of any documents;

(c) calling for any record or register from any medical college, hospital or office;

(d) the reception of evidence on affidavits;

(e) any other matter which the Central Government may by rules specify.

(3) The Disciplinary Committee may, after an inquiry under sub-section (1),—

(a) dismiss the complaint;

(b) recommend that the concerned medical practitioner be reprimanded;

(c) recommend that the name of the concerned medical practitioner be removed from the Indian Medical Register, either permanently or for such limited period as may be specified in such recommendation.

(4) On receipt of any such recommendation, the Council shall take action, so far as may be, in accordance with section 24."

23. In section 21 of the principal Act, for sub-section (1), the following sub-section shall be substituted, namely:—

Amendment of section 21.

"(1) (a) The Council shall cause to be maintained in the prescribed manner a register of medical practitioners, to be known as the Indian Medical Register, which shall contain the names of persons who possess the primary medical qualification and are enrolled as registered medical practitioners in accordance with the provisions of section 22.

(b) Every medical practitioner whose name has been enrolled in any State Medical Register immediately before the appointed day and who possesses any of the recognised medical qualifications shall, on and from such day, be deemed to have been enrolled as a registered medical practitioner in the Branch Medical Register maintained for that State and shall have the same rights and privileges as to medical practice as if his name had been enrolled in the Indian Medical Register after the appointed day."

24. For sections 22 to 24 of the principal Act, the following sections shall be substituted, namely:—

Substitution of new sections for sections 22 to 24.

"22. (1) No person shall commence or carry on practice as a medical practitioner in any part of India unless his name has been or is deemed to have been enrolled by the Council in the Indian Medical Register in accordance with the provisions of this Act.

(2) Every person who possesses any primary medical qualification and who seeks to commence practice as a medical practitioner in any part of India shall make an application to the Council or any Branch thereof for the enrolment of his name in the Indian Medical Register as a registered medical practitioner.

(3) Every application under sub-section (2) shall be in such form and preferred in such manner and accompanied with such fee not exceeding rupees two hundred and fifty, as may be prescribed.

(4) Where the Registrar of the Council, or, as the case may be, the person in charge of any Branch of the Council is satisfied that the applicant possesses the primary medical qualification and fulfils all the requirements of this Act for the enrolment of his name in the Indian Medical Register as a registered medical practitioner, he shall enrol the name of the applicant in the Indian Medical Register:

Persons not to practise medicine in India without registration.

Provided that where any application is made to any Branch of the Council the name of such person shall be enrolled in the Branch Medical Register.

(5) Every Branch of the Council shall supply to the headquarters of the Council after the 1st day of April of each year six copies of the Branch Medical Register and shall inform the Council without delay of all additions to or omissions from the Branch Medical Register that have been made therein from time to time.

(6) Nothing contained in this section shall affect the right of any medical practitioner enrolled on a State Medical Register immediately before the appointed day to practise medicine in the State concerned merely on the ground that on the appointed day he does not possess any primary medical qualification.

Period of operation of enrolment on Indian Medical Register and renewal thereof.

23. Every enrolment of a person as a medical practitioner made or deemed to have been made in the Indian Medical Register shall remain in force for a period of five years,—

(a) in the case of a person enrolled after the appointed day, from the date of his enrolment, and

(b) in the case of a person deemed to have been enrolled under clause (b) of sub-section (1) of section 21, from the appointed day,

and may be renewed from time to time for a period of five years on an application being made by him in such form, in such manner, within such period and on payment of such fees, not exceeding rupees two hundred and fifty, as may be prescribed.

Removal of names from Indian Medical Register

24. (1) Whenever the Disciplinary Committee constituted under section 20B, recommends, after an inquiry made under section 20C, that the name of any person enrolled or deemed to have been enrolled on the Indian Medical Register shall be removed therefrom, the Council shall by order direct the removal of the name of such person from the said Register either permanently or for such period as may be specified in the order.

(2) Where the name of any person has been removed from the Indian Medical Register whether permanently or for such period as may be specified in the order, he shall be debarred, on and from the date of such removal, from carrying on practice as a medical practitioner anywhere in India either permanently or, as the case may be, for the period so specified.

(3) Any person aggrieved by an order of the Council may prefer an appeal against that order to the Central Government in such form and manner, within such time, on such conditions and on payment of such fee (not exceeding two hundred and fifty rupees) as that Government may, by rules, specify.

(4) On receipt of such appeal, the Central Government may, after giving the person concerned an opportunity to make a written representation and after consulting the Council, pass appropriate orders which shall be final and binding.”

25. In section 25 of the principal Act,—

Amend-  
ment of  
section 25.

(a) in sub-section (1), for the words “a State Medical Register”, the words “the Indian Medical Register” shall be substituted;

(b) in sub-section (2),—

(i) for the words “recognised medical qualification”, the words “primary medical qualification” shall be substituted;

(ii) for the words “in a State Medical Register”, the words “in the Indian Medical Register” shall be substituted;

(c) in sub-section (3), for the words “a State Medical Register”, the words “the Indian Medical Register” shall be substituted;

(d) in sub-section (4), for the words and figures “in the State Medical Register under section 15”, the words “in the Indian Medical Register” shall be substituted.

26. After section 25 of the principal Act, the following section shall be inserted, namely:—

Insertion  
of new  
section  
25A.

“25A. (1) The Council may conduct a screening test or any other test in order to satisfy itself with regard to the adequacy of the knowledge and skill acquired by a citizen of India obtaining a recognised medical qualification from a University or a medical institution outside India.

Screening  
test.

(2) The Council may also conduct such screening tests as are referred to in sub-section (1) in respect of repatriates of Indian origin from outside India, and notwithstanding anything contained in section 14A, register them temporarily to practise medicine for a limited period during which they may obtain Indian citizenship:

Provided that the temporary registration of such a person shall stand cancelled if his application for Indian citizenship is finally rejected by the appropriate authority under the Citizenship Act, 1955.”.

57 of 1955.

27. In section 26 of the principal Act,—

Amend-  
ment of  
section 26.

(a) in sub-section (1), the brackets and figure “(1)” shall be omitted;

(b) sub-section (2) shall be omitted.

28. In section 28 of the principal Act, after the words “practice to the Council”, the words “or any Branch thereof” shall be inserted.

Amend-  
ment of  
section 28.

29. In section 32 of the principal Act,—

Amend-  
ment of  
section 32.

(a) in sub-section (1), the brackets and figure “(1)” shall be omitted;

(b) sub-section (2) shall be omitted.

30. In section 33 of the principal Act,—

Amend-  
ment of  
section 33.

(a) in the opening portion, after the words “make regulations”, the words “, by notification in the Official Gazette,” shall be inserted;

(b) in clause (j), for the words "the courses and period of study and of practical training to be undertaken", the words "the age, qualifications and minimum requirements for admission and the courses, period of study and of practical training to be undertaken" shall be substituted;

(c) after clause (l), the following clause shall be inserted, namely:—

"(ll) the conduct of examinations for admission to medical courses, conditions of admission to such examinations, forms of applications and fees for such admission;".

Insertion  
of new  
sections  
33A to  
33E.

31. After section 33 of the principal Act, the following sections shall be inserted, namely:—

Laying of  
rules and  
regulations  
before  
Parlia-  
ment.

"33A. Every rule and every regulation made under this Act, shall be laid, as soon as may be after it is made, before each House of Parliament, while it is in session, for a total period of thirty days which may be comprised in one session or in two or more successive sessions, and if, before the expiry of the session immediately following the session or the successive sessions aforesaid, both Houses agree in making any modification in the rule or regulation or both Houses agree that the rule or regulation should not be made, the rule or regulation shall thereafter have effect only in such modified form or be of no effect, as the case may be; so, however, that any such modification or annulment shall be without prejudice to the validity of anything previously done under that rule or regulation.

Power of  
Central  
Govern-  
ment to  
give  
directions.

33B. The Central Government may, from time to time, give such directions to the Council as it may think fit for carrying out any provision of this Act or any order, rule or regulation made thereunder and when such direction is given, the Council shall carry out such direction.

Power to  
remove  
difficulties.

33C. If any difficulty arises in giving effect to any provision of this Act, as amended by the Indian Medical Council (Amendment) Act, 1987, the Central Government may, by order, not inconsistent with the provisions of this Act as so amended, remove the difficulty:

Provided that no such order shall be made after the expiry of a period of two years from the appointed day.

Over-  
riding  
effect of  
the Act.

33D. The provisions of this Act shall have effect notwithstanding anything inconsistent therewith contained in any other law for the time being in force or in any instrument having effect by virtue of any law other than this Act.

Cognizance  
of offence.

33E. No court shall take cognizance of an offence punishable under this Act except on a complaint made in writing by the Council or any officer authorised by it in this behalf."

32. For the First, Second and Third Schedules of the principal Act, the following Schedules shall be substituted, namely:—

Substitution of new Schedules for First, Second and Third Schedules.

Note 1. The number(s) indicated within bracket after each qualification denotes the Medical Colleges/teaching institutions in respect of which the qualification stands recognised under the concerned University/Medical institutions.

Note 2. The Medical Colleges whose names have been printed in italics are those Medical Colleges which were affiliated to the University (under which they are shown) previously but now are affiliated to new Universities.

## THE SECOND SCHEDULE

(See section 12)

*Recognised Medical Qualifications granted by Medical Institutions outside India*

Name of Country	Name of University or Medical Institution	Primary Qualification		Additional Qualification	
		Full	Abbreviation	Full	Abbreviation
1	2	3		4	
Australia	University of Sydney (c)	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.	Doctor of Medicine Master of Surgery	M.D. Ch.M.
	University of Adelaide (a) (c)	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.	Doctor of Medicine Master of Surgery	M.D. M.S.
	University of Melbourne	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.	Doctor of Medicine Master of Surgery	M.D. M.S.
Burma	University of Rangoon	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.		
Canada	College of Physicians and Surgeons of the Province of Alberta (b)	Membership, College of Physicians and Surgeons.	M.C.P.S.		
	University of Alberta (b)	Doctor of Medicine.	M.D.		
	College of Physicians and Surgeons of the Manitoba (b)	Membership, College of Physicians and Surgeons.	M.C.P.S.		
	University of Manitoba (c)	Doctor of Medicine. Doctor of Medicine and Master of Surgery.	M.D. M.D.C.M.		
	College of Physicians and Surgeons of the Province of North Western Territory (b)	Membership, College of Physicians and Surgeons.	*M.C.P.S.		
	Nova Scotia Provincial Medical Board (a) (c)	Licentiate in Medicine and Surgery.	L.M.S.		
	Dalhousie University (a) (c)	Doctor of Medicine and Master of Surgery.	M.D.C.M.		
Ceylon Sri Lanka	Prince Edward Island Medical Council (b)	Licentiate in Medicine and Surgery.	L.M.S.		
	Ceylon Medical College (a) (c)	Licentiate in Medicine and Surgery.	L.M.S.		
Hong Kong	University of Hong Kong (a) (c)	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.	Doctor of Medicine Master of Surgery	M.D. M.S.
Italy	All Royal Italian Universities (d)	Doctor of Medicine.	M.D.		
Japan	All Imperial Universities (c) ¶	Bachelor of Medicine.	M.B. (Igaku-ushi)		
		Doctor of Medicine.	M.D. (Igaku-Hakushi)		

\* When held in conjunction with license of the College of Physicians and Surgeons of the Province of Saskatchewan for the Province of Alberta.

Name of country	Name of University or Medical Institution	Primary Qualification		Additional Qualification	
		Full	Abbreviation	Full	Abbreviation
1	2	3		4	
	Any Government Prefectural special Colleges designated by a Minister of Education of Japan (a)	Doctor of Medicine	M.D. (Igakushi)		
Malta	Royal University of Malta	Doctor of Medicine	M.D.		
New Foundland	New Foundland Medical Board (b)	Licentiate in Medicine and Surgery.	L.M.S.		
New Zealand	University of New Zealand (f)	Bachelor of Medicine and Bachelor of Surgery.	M.B.Ch.B	Master of Surgery. Doctor of Medicine.	Ch.M. M.D.
	*University of Otago.	Bachelor of Medicine and Bachelor of Surgery.	M.B.Ch.B.	Master of Surgery. Doctor of Medicine.	Ch.M. M.D.
Pakistan	Punjab University (g)	Licentiate in Medicine and Surgery. Bachelor of Medicine.	L.M.S. M.B.	Doctor of Medicine	M.D.
		Bachelor of Medicine and Bachelor of Surgery.	M.B.B.S.		
Republic of Ireland.	Punjab State Medical Faculty	**Licentiate in Medicine and Surgery.	L.M.S.		
	University of Dublin (h)	Licentiate in Medicine Licentiate in Surgery Bachelor of Medicine and Bachelor of Surgery.	L.Med. L.Ch. M.B.B.Ch.	Doctor of Medicine Master of Surgery Maternity and Obstetrics.	M.D. Ch.M. M.A.O.
	National University of Ireland (h)	Bachelor of Medicine and Bachelor of Surgery.	M.B.B.Ch.	Doctor of Medicine. Master of Surgery. Maternity and Obstetrics.	M.D. Ch.M. M.A.O.
	Royal College of Physicians of Ireland (h)	Membership, Royal College of Physicians	M.R.C.P.	Membership, Royal College of Physicians. Fellowship, Royal College of Physicians.	M.R.C.P. F.R.C.P.
	Royal College of Surgeons of Ireland (h)	Licentiate Royal College of Surgeons.	L.R.C.S.	Fellowship, Royal College of Surgeons.	F.R.C.S.
		Licentiate in Midwifery.	L.M.		
	Apothecaries Hall of Dublin (h)	Licentiate, Apothecaries Hall	L.A.H.		
Straits Settlement and Federated Malay State.	The King Edward VII College of Medicine Singapore (a) (c)	Licentiate in Medicine and Surgery.	L.M.S.		

\*These qualifications shall be recognised Medical qualifications when granted on or after the 1st January, 1962, and on or before the 31st December, 1968. This condition shall not apply in cases where these qualifications are already recognised on or before 29th April, 1972.

\*\*This qualification shall be a recognised one only when granted before the 15th August, 1947, provided the holders thereof had passed F.Sc. Examination before taking up medical studies.

Name of country	Name of University or Medical Institution	Primary Qualification		Additional Qualification	
		Full	Abbreviation	Full	Abbreviation
1	2	3		4	
Union of South Africa	University of South Africa (b)	Bachelor of Medicine and Bachelor of Surgery.	M.B., Ch. B.		
	University of Cape Town (a) (c)	Bachelor of Medicine and Bachelor of Surgery.	M.B., Ch. B.	Doctor of Medicine Master of Surgery	M.D. Ch. M.
	University of the Witwatersrand Johannesburg (a) (c)	Bachelor of Medicine	M.B., Ch.B.	Doctor of Medicine Master of Surgery	M.D. Ch. M.
United Kingdom	University of Birmingham	Bachelor of Medicine and Bachelor of Surgery.	M.B. Ch.B.	Doctor of Medicine Master of Surgery	M.D. Ch.M.
	University of Bristol	Bachelor of Medicine and Bachelor of Surgery.	M.B.Ch.B.	Doctor of Medicine Master of Surgery	M.D. Ch.M.

	Royal College of Physicians of United Kingdom			Membership, Royal College of Physicians.	M.R.C.P.
	Royal College of Obstetricians & Gynaecologists, London			Membership, Royal College of Obstetricians & Gynaecologists.	M.R.C.O.G.
	Royal College of Pathologists, London			*Membership, Royal College of Pathologists.	M.R.C. Path.
				Fellowship, Royal College of Pathologists.	F.R.C.Path.
	Royal College of Physicians & Surgeons, London			Diploma in Ophthalmic Medicine & Surgery.	D.O.M.S.
				Diploma in Ophthalmology.	D.O.
				Diploma in Psychological Medicine.	D.P.M.
	Royal College of Psychiatrists, London			*Membership, Royal College of Psychiatrists.	M.R.C.Psy.
				The above qualifications granted in United Kingdom shall be recognised medical qualifications when granted on or before 11th November, 1975.	

- (a) The qualification must be included in Table (F) of the British Medical Register as published from time to time by the General Medical Council of United Kingdom.
- (b) When granted on or before 31st October, 1937.
- (c) When granted on or before 31st March, 1942.
- (d) When granted on or before 10th October, 1940.
- (e) When granted on or before 8th December, 1941.
- (f) When granted on or before 31st December, 1961.
- (g) When granted on or before the 15th August, 1947. This condition shall not apply in cases where these qualifications are already recognised on or before the 12th March, 1965.
- (h) When granted on or before the 17th June, 1964. This condition shall not apply in cases these qualifications are already recognised on or before the 2nd January, 1967.

\*Provided that this qualification has been awarded after qualifying at an examination.

## THE THIRD SCHEDULE

(See section 13)

## PART I

*Recognised Medical Qualifications Granted by Medical Institutions in India not included in the First Schedule*

State	Name of Medical Institution or Licensing Authority	Primary qualification		Additional qualification	
		Full name	Abbreviation	Full name	Abbreviation
1	2	3	4		
Andhra Pradesh	Andhra University	Licentiate in Medicine & Surgery	L.M.S.		
	Government of Andhra Pradesh	Diploma in Medicine & Surgery	D.M.S.		
	Hyderabad Government	Licentiate in Medicine & Surgery	L.M.S.		
		Licensed Medical Practitioner <sup>1</sup>	L.M.P.		
Assam	Assam Medical Examination Board	Licensed Medical Practitioner	L.M.P.		
	B.W. Medical School, Dibrugarh	Licensed Medical Practitioner	L.M.P.		
Bihar	Temple Medical School Patna.	Licensed Medical Practitioner	L.M.P.		
Burma	Burma Medical Examination Board.	Licensed Medical Practitioner	*L.M.P.		
	Rangoon University	Licentiate in Medicine & Surgery	*L.M.S.		
Gujarat	State Medical Faculty of Gujarat	Licensed Medical Practitioner	L.M.P.		
Karnataka	Government of Mysore	Licensed Medical Practitioner	L.M.P.		
	Mysore Medical School	Licensed Medical Practitioner	L.M.P.		
Kerala	Government of Kerala	Diploma in Medicine & Surgery	D.M.S.		
Madhya Pradesh	C.P. (Or M.P.) Medical Examination Board	Licensed Medical Practitioner	L.M.P.		
	King Edward Hospital Medical School, Indore.	Diploma or Certificate in Medicine and/or Surgery			
Maharashtra	College of Physicians and Surgeons, Bombay.	Licentiate, College of Physicians & Surgeons	L.C.P.S.	*Fellowship, College of Physicians & Surgeons in Midwifery and Gynaecology.	*F.C.P.S. (Mid. & Gynae.)
				*Fellowship, College of Physicians & Surgeons (Ophthalmology)	*F.C.P.S. (Ophth.)
				*Diploma in Pathology & Bacteriology.	*D.P.B. (Dip. in Path. and Bact.)

\*These qualifications shall be recognised medical qualifications only when granted before the 1st April, 1937.

State	Name of Medical Institution or Licensing Authority	Primary qualification		Additional qualification	
		Full name	Abbreviation	Full name	Abbreviation
1	2	3		4	
Maharashtra				*Diploma in Gynaecology [and Obstetrics.	*D.G.O.
				*Diploma in Child Health	*D.C.H.
		*These qualifications shall be recognised medical qualifications under this Schedule only when they are held by persons holding any other medical qualifications specified in this Schedule.			
	Medico-Surgical College, Nova-Goa, Panjim }	Diploma of Licentiate of the Medico-Surgical College, Nova-Goa.	Medico-Surgeon.		
	State Medical Faculty, Bombay	Licensed Medical Practitioner	L.M.P.		
Orissa	Bihar and Orissa Medical Examination Board }	Licensed Medical Practitioner	L.M.P.		
	Government of Orissa	Diploma in Modern Medicine and Surgery	D.M.S.M.		
	Orissa Medical Examination Board	Licensed Medical Practitioner	L.M.P.		
Punjab	East Punjab State Medical Faculty	*Licentiate in Medicine and Surgery	*L.M.S.		
		*This qualification shall be a recognised one only when granted on or after the 15th August, 1947 to a person other than any person referred to in the entry relating to East Punjab State Medical Faculty in the First Schedule, provided he had passed the pre-medical examination.			
	East Punjab State Medical Faculty	*Licentiate of the State Medical Faculty	L.S.M.F.		
		*This qualification shall be a recognised medical qualification only when granted after the 15th August, 1947.			
	Government of Punjab (Lahore)		*M.P.L.		
		*This qualification shall be a recognised medical qualification only when granted before the 15th August, 1947.			
	Punjab University	*Diploma in Tuberculosis	D.T.D.		
		*This qualification shall be a recognised medical qualification under this Schedule only when held by persons holding any other medical qualification specified in this Schedule.			

State	Name of Medical Institution or Licensing Authority	Primary qualification		Additional qualification	
		Full name	Abbreviation	Full name	Abbreviation
1	2	3		4	
	State Medical Faculty of Punjab	*Licentiate in Medicine and Surgery	*L.M.S.		
		*This qualification shall be a recognised one only when granted to person other than any person referred to in the entry relating to S.M.F. Punjab in the First Schedule, provided he had passed the pre-medical examination.			
		Member of the State Medical Faculty (Punjab)	M.S.M.F.	Fellowship State Medical Faculty	F.S.M.F.
		Licentiate, State Medical Faculty	L.S.M.F.		
Tamilnadu	Board of Examiners Medical College, Madras	Licensed Medical Practitioner	L.M.P.		
		Diploma in Medicine and Surgery	D.M.S. Lic. Apoth.		
	Ecole de Medicine, Pondicherry	Diploma de Ecole Medicine	D.E.M.P.		
	Ecole de Medicine de Pondicherry	Diploma of 'Officer de Sante'	Dip. 'Officer-de Sante.'		
	Government of Madras	Diploma in Medicine and Surgery	D.M.S.		
		This qualification shall be a recognised medical qualification when granted on or before 31st December, 1970.			
Uttar Pradesh	Aligarh University	Diploma in Ophthalmology	D.O.		
		This qualification shall be a recognised medical qualification under this Schedule only when held by persons holding any other medical qualification specified in* this Schedule.			
	State Medical Faculty of Uttar Pradesh	Licentiate of the State Medical Faculty	L.S.M.F.	Fellow of the State Medical Faculty	F.S.M.F.
		Member of the State Medical Faculty	M.S.M.F.		
	State Board of Medical Examination, Uttar Pradesh	Licensed Medical Practitioner	L.M.P.		
West Bengal	Government of Bengal (Campbell Medical School)	Licensed Medical Practitioner	L.M.P.		
	Medical College, Bengal*	Diploma of Medical College	Dip. Med. Coll.		
	Dacca Medical School	*Licensed Medical Practitioner	L.M.P.		
		*This qualification shall be a recognised medical qualification when granted before the 15th August, 1947.

33. Nothing in the principal Act, as amended by this Act, shall affect the operation of the provisions of any law in force in any State relating to offences for the levy or collection of capitation fee or any other fee or amount in excess of fee or amount specified or notified by or under such law for admission to medical colleges in such State, and accordingly the provisions of such law shall continue to have effect after the commencement of section 12 of this Act in respect of such offences committed under the provisions of such law immediately before such commencement as if this Act had not been passed.

## STATEMENT OF OBJECTS AND REASONS

The Medical Council of India is a statutory body constituted under the Indian Medical Council Act, 1956 (1956 Act). Apart from advising the Central Government on the recognition of medical qualifications granted by the universities and other medical institutions in India, it maintains the Indian Medical Register which contains the names of persons who possess such recognised medical qualifications.

2. The experience of the working of the 1956 Act has brought to light certain shortcomings and inadequacies. There is at present no uniformity in the standards of medical education at all levels. The improvement in the quality of medical education, maintenance of uniform minimum standards of medical education and the coordination of such standards have become all the more necessary after the entry relating to "Education" has been included in the Concurrent List of the Seventh Schedule to the Constitution. At present, the Central Government or the Medical Council have no control over the opening of new medical colleges or new courses of study or training or the increase in the admission capacity in any existing medical college. Further, under the existing position, the Indian Medical Register is being maintained on the basis of the State Medical Registers which are maintained under the provisions of the State enactments. In the interests of allowing medical practitioners to practice all over India and to have one system of registration for the whole country, it is considered necessary that the Medical Council maintains one register for enrolment of persons for practising medicine in India. In addition to the above, at present the First Schedule to the 1956 Act specifies the recognised medical qualifications granted by the universities and medical institutions mentioned therein. Although such qualifications are conferred by those universities and medical institutions only after a course of study or training is undergone in a medical college, the references to such medical colleges are not included in the First Schedule. As a result of this situation, the courses of study or training for recognised medical qualifications are not uniform in all the medical colleges. The medical colleges also have not been following any uniform policy with regard to the admissions with the result that many of the colleges have been charging heavy capitation fees for admission and also charging large sums of money as tuition fees or other fees. It is, therefore, proposed to amend the 1956 Act to remove the above deficiencies and to make the Medical Council responsible for the laying down of uniform standards of medical education, regulating the practice by persons possessing primary medical qualifications, regulating admissions to the medical colleges and preventing the medical colleges from charging capitation fees and other unauthorised fees. The amendments to the 1956 Act included in the Bill have been formulated on the above basis. The Bill *inter alia*, provides for the following matters, namely:—

(i) to ensure that the Medical Council performs all the above functions effectively, it is proposed to amend the 1956 Act to enunciate the specific objectives for which the Medical Council had been constituted under the Act. They are broadly as follows:—

(a) to coordinate and determine the standards of medical education at all levels;

(b) to regulate the practice of medicine in India and to maintain the Indian Medical Register;

(c) to advise the Central Government in matters relating to the requirements of manpower in the field of medicine; and

(d) to undertake periodical review of under-graduate and post-graduate medical education;

(ii) while granting permission to the opening of a new medical college or a course of study or training or to increase the admission capacity of a medical college or medical institution, the Council is required to obtain a scheme from the medical college or institution before permission is granted. The Medical Council is also being empowered to frame regulations for prescribing fees that will be payable by students for admission to medical colleges and tuition therein. The medical colleges are also being prohibited from collecting any capitation fee or any amount in excess of the prescribed fees. Punishments are also proposed to be made for the contravention of the above provisions.

(iii) at present, different sets of procedures for admission have been adopted by various medical colleges and there is no uniformity in this behalf. As a result, the best and most meritorious students sometimes do not get admission in any medical college. To obviate this situation and also keeping in view the judgment of the Supreme Court dated the 22nd June, 1984 directing the selection of candidates to fill up certain percentage of seats, on an All-India basis, the Medical Council of India has been authorised under new section 19AA to conduct entrance tests on an All-India basis for admission to under-graduate and post-graduate courses in respect of seats to be filled on All-India basis;

(iv) it is proposed to empower the Medical Council to open its branches in all the States and such branches will maintain Branch Medical Registers of the Indian Medical Register.

(v) the Schedules to the 1956 Act are proposed to be substituted to include therein primary medical qualifications and additional medical qualifications and the colleges that would be permitted to undertake the courses of study or training which would qualify the students for obtaining such medical qualifications.

3. The Notes on clauses appended to the Bill explain in detail the various provisions of the Bill.

NEW DELHI;

SAROJ KHAPARDE.

The 12th August, 1987.

*Notes on clauses*

*Clause 2* seeks to amend the long title of the Act so as to reflect the enlarged scope of activities of the Medical Council of India.

*Clause 3* seeks to amend section 2 so as to substitute the definition of "appointed day" to specify that in relation to any provision of the Act as amended by this Bill, appointed day will mean the date appointed by the Central Government for the commencement of the relevant provision of this Bill and to include definitions of "approved institution", "Branch Medical Register", "foreign students", "medical college", "medical practitioner" and "primary medical qualification".

*Clause 4* seeks to amend section 3 so as to enable the Central Government to nominate one member from the Union territories to the Medical Council of India and also reduce the membership of Licentiates from "seven members" to "three members", as the total number of Licentiates has come down considerably. Further it is proposed to make the Director General of Health Services and the Director General, Armed Forces Medical Services as *ex officio* members.

*Clause 5* seeks to amend section 5 to specify certain conditions for eligibility for being nominated as a member of the Medical Council under clause (a) or clause (aa) of sub-section (1) of section 3 of the Act.

*Clause 6* seeks to insert a new sub-section in section 6 to enable the Medical Council of India to establish its Branch in each State for the purpose of maintaining the Indian Medical Register.

*Clause 7* seeks to insert a new section 6A which defines the objects of the Medical Council of India.

*Clause 8* seeks to amend section 7 so as to replace the reference to State Medical Register by a reference to the Branch Medical Register and also to restrict the maximum period of membership after the expiry of the normal term of five years to a maximum period of six months in order to remove the existing lacunae whereunder a member could continue after five years until his successor was duly nominated or elected, which nomination or election did not take place for a number of years.

*Clause 9* seeks to amend section 8 to enable the President of the Medical Council to call a special meeting for dealing with urgent matters. The quorum of a meeting will be one-fourth of the total members of the Medical Council for the time being holding office.

*Clause 10* seeks to amend section 9 to provide for the appointment of a Registrar of the Medical Council out of a panel of three names provided by the Central Government and to enable the Registrar to attend all the meetings of the Medical Council, the Executive Committee and other Committees constituted by the Council.

*Clause 11* seeks to amend section 10 to provide for reconstitution of the Executive Committee by increasing the membership and also provide for inclusion of the Director General of Health Services as an *ex officio* member.

*Clause 12* seeks to insert new sections 10A to 10G to regulate the establishment of new medical colleges, opening of new course of study or training and increasing the admission capacity of medical colleges in relation to any course of study or training; to impose certain restrictions with regard to admission of foreign students which shall be in accordance with the rules made by the Central Government and the reservation of seats for the Scheduled Castes and Scheduled Tribes in various courses of study or training; to regulate the scales of fees with regard to different classes of medical colleges and for Indian students and foreign students; to prohibit levy or collection of any fee or amount in excess of the scale of fees prescribed by the Medical Council in respect of any course of study or training in any medical college and acceptance whether directly or indirectly of any payment of any amount by way of capitation fee or donation or gift whether in cash or in kind from any student in connection with his admission and to provide for punishments for contravention of any of the provisions of sections 10A to 10D.

*Clause 13* seeks to amend section 11 so as to provide that the primary medical qualifications and the additional medical qualifications specified in the First Schedule and granted by any university or medical institution in respect of which a course of study or training has been undergone in a medical college specified in column 2 of the said Schedule shall be recognised medical qualifications for the purposes of the Act. Under the proposed sub-section (3) any medical college can also apply to the Central Government to have its name included in the First Schedule for any medical qualification and the Central Government, after obtaining the recommendations of the Medical Council can amend the said Schedule to include the name of the medical college.

*Clause 14* seeks to insert a new section 11A to enable the Central Government to recognise post-graduate medical qualifications granted by any examining body (other than a University or medical institution) such as the National Board of Examinations, etc.

*Clause 15* seeks to amend section 13 so as to replace the reference to State Medical Register by a reference to the Indian Medical Register.

*Clause 16* seeks to amend section 14 for substituting the existing term "recognised medical qualification" by the term "primary medical qualification" as defined *vide* new clause (gg) proposed to be inserted in section 2.

*Clause 17* seeks to insert new sections 14A and 14B to impose certain restrictions on practice of medicine by foreign nationals and also enable the Medical Council to grant temporary registration for specific purposes and specified periods to foreign nationals possessing primary medical qualifications granted by a University or medical institution in or outside India after satisfying itself that such foreign national possesses the requisite knowledge and skill to practice medicine.

*Clause 18* seeks to amend section 15 to provide for registration of persons possessing primary medical qualifications in the Indian Medical Register and also for enhancing the punishment from one year or with fine extending up to one thousand rupees to two years or with fine extending up to two thousand rupees in case of persons contravening the provisions of that section.

*Clause 19* seeks to amend section 19 to include reference to medical college affiliated to any University and also to provide that the State Government shall make its recommendations to the Central Government within a period of three months from the date of receipt of explanation from the medical college or University or medical institution. Certain consequential changes are also being made in sub-section (4).

*Clause 20* seeks to insert a new section 19AA to enable the Medical Council of India to conduct certain examinations on all-India basis for admission to medical courses. The new provision proposes to give effect to the order of the Supreme Court that certain percentages of the seats in the under-graduate and post-graduate medical courses should be filled on an all-India basis by a centralised agency. It is only an enabling provision, as at present the Central Board of Secondary Education and All India Institute of Medical Sciences have been identified for conducting the all-India entrance examination for admission to such courses.

*Clause 21* seeks to amend section 20 to provide for reorganisation of the Post-graduate Medical Education Committee by increasing the membership in certain cases and inclusion of Director General of Health Services as a permanent member where he fulfils the qualifications prescribed under sub-section (2). The duties of the said Committee are also proposed to be specified in detail as in new sub-section (4).

*Clause 22* seeks to insert new sections 20B and 20C relating to the constitution of Ethics-cum-Disciplinary Committee to deal with violation by medical practitioners of the standards of professional conduct and etiquette and the code of ethics. It is proposed to invest the said Committee with the same powers as are vested in a civil court under the Code of Civil Procedure, 1908, for the purposes of conducting any inquiry against the medical practitioners. After inquiry, the Committee may recommend that the name of the concerned medical practitioner be removed from the Indian Medical Register either permanently or for such limited period as may be specified in such recommendation. On receipt of the recommendations of the Committee, the Medical Council of India shall take action, so far as may be, in accordance with the provisions of section 24.

*Clause 23* seeks to amend section 21 to provide that the Council shall cause to be maintained in the prescribed manner a Register of medical practitioners, to be known as the Indian Medical Register, which shall contain the names of persons who possess the primary medical qualifications. It is also being provided that every medical practitioner whose name has been enrolled in any State Medical Register immediately before the appointed day and who possesses any of the recognised medical qualifications shall, on and from such date, be deemed to have been enrolled in the Branch Medical Register and shall have the same rights and privileges as to medical practice as if his name had been enrolled in the Indian Medical Register after the appointed day.

*Clause 24* seeks to substitute the existing sections 22 to 24 in order to provide detailed procedure for enrolment of medical practitioners in the Indian Medical Register, the period of operation of enrolment on that Register and the procedure for removal of names therefrom. It is proposed to levy a fee not exceeding Rs. 250 in respect of every application for enrolment on the Indian Medical Register after the coming into force of the amended provision. The enrolment will be renewable after every 5 years. It is also being provided that the name of any person enrolled or deemed to have been enrolled on the Indian Medical Register shall be removed therefrom on the recommendation of the Disciplinary Committee constituted under section 20B either permanently or for such period as may be specified by the Disciplinary Committee. On such removal the person concerned shall be debarred from carrying on practice as medical practitioner anywhere in India either permanently or, as the case may be, for the period so specified. A provision for appeal to the Central Government has also been made.

*Clause 25* seeks to amend section 25 to enable the persons registered provisionally on the Indian Medical Register to practice in an approved institution and also to provide that the names of such persons be entered in a separate register.

*Clause 26* seeks to insert a new section 25A to enable the Medical Council of India to conduct a screening test or any other test in order to satisfy itself with regard to the adequacy of the knowledge and skill acquired by a citizen of India obtaining a recognised medical qualification from a University or a medical institution outside India. The Council may also conduct such tests in special cases like repatriates of Indian origin from outside countries and register them temporarily till such persons obtain Indian citizenship or their application for such citizenship is finally rejected by the appropriate authority.

*Clauses 27 to 29* seek to make certain consequential amendments in sections 26, 28 and 32 of the Act.

*Clause 30* seeks to amend section 33 to enable the Medical Council of India to make regulations with respect to the age, qualifications and minimum requirements for admission and the courses of study, period of study and practical training to be undertaken as also to conduct examinations for admissions to various medical courses, laying down conditions of admission to such examinations, prescribing forms of applications and fees for such admission.

*Clause 31* seeks to insert new sections 33A to 33F. The proposed section 33A prescribes the procedure for laying of rules and regulations before Parliament. New section 33B enables the Central Government to give directions to the Medical Council of India for carrying out any provision of the Act or any order, rule or regulation made thereunder. New section 33C enables the Central Government to issue an order to remove any difficulty which may arise in giving effect to the provisions of the Act, as amended by this Bill. It has been provided that no such order shall be made after the expiry of a period of two years from the appointed day. New section 33D gives overriding effect to the provisions of the Act with a view to enabling the Medical Council to carry out its functions more

---

effectively. New section 33E provides that no court shall take cognizance of an offence punishable under the Act except on a complaint made in writing by the Medical Council or any officer authorised by the said Council.

*Clause 32* seeks to substitute new Schedules for the existing First, Second and Third Schedules. The recognised medical qualifications have been specified under two columns, column (3) containing the primary medical qualifications and column (4) containing additional qualifications.

*Clause 33* seeks to make a provision for saving any action taken under a State law for prosecution of persons who have committed offences under such law for the levy or collection of capitation fee or any other fee or amount in excess of the fee or amount prescribed or notified under such law for admission to medical colleges.

## FINANCIAL MEMORANDUM

Clause 6 of the Bill envisages the establishment of Branches of the Medical Council of India in each State for the purpose of maintaining the Indian Medical Register. This will involve some additional expenditure being incurred by the Central Government on account of increased grant-in-aid to the Medical Council.

2. Clause 12 of the Bill inserts new sections 10A, 10B and 10C, in the Indian Medical Council Act, 1956, to provide for detailed procedure with regard to the establishment of new medical colleges, fixing the admission capacity of each medical college and regulation of fees to be charged from, or in relation to, students of medical colleges.

3. Clause 13 proposes to amend section 11 of the Act to provide for college-wise recognition. The action under the above provisions will be taken by the Medical Council of India with the prior approval of the Central Government. The said provisions will, accordingly, involve more work on the part of the Medical Council of India and the Central Government for scrutiny of the applications and also for dealing with the representations made by the individuals or organisations in regard to the setting up of medical colleges. This will involve additional expenditure for strengthening the Head Office of the Medical Council of India as well as for increasing some staff strength in the Ministry of Health and Family Welfare for carrying out the responsibilities assigned to them.

4. Clause 20 of the Bill empowers the Medical Council of India to conduct entrance examinations on an all India basis for admission to the under-graduate and post-graduate medical courses in various medical colleges. As and when this provision is implemented, there will be need for strengthening the Medical Council of India to enable it to undertake this work by giving it additional grant-in-aid.

5. Clause 22 of the Bill envisages the constitution of an Ethics-cum-Disciplinary Committee by the Medical Council of India for dealing with cases of violation of the standards of professional conduct, etiquette and code of ethics by the medical practitioners. This provision may also entail some additional expenditure by the Medical Council on account of payment of travelling allowance and daily allowance to the members of the said Committee for attending the meetings of inquiries, etc.

6. Clause 26 deals with the screening test to be conducted by the Medical Council of India in respect of persons who have obtained recognised medical qualifications from institutions outside India. This provision will also require the Central Government to give some additional grant-in-aid to the Medical Council of India.

7. It is not feasible to quantify at this stage the additional grant-in-aid which may be required by the Medical Council of India for the purposes of implementing the provisions of this Bill. The said grant-in-aid

---

will be suitably enhanced after taking into account the additional amount to be received by the Medical Council of India on account of the proposed fees to be levied for the registration of medical practitioners. The additional expenditure will be met by reappropriation from out of the overall budget of the Ministry of Health and Family Welfare.

8. The provisions of the Bill are not likely to involve any other expenditure of a recurring or non-recurring nature.

### MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 12 of the Bill seeks to insert sections 10A to 10G. Clause (b) of sub-section (2) of section 10A empowers the medical Council to **frame** regulations for prescribing the form and manner in which the scheme shall be submitted to that Council and also the fees which should accompany the said scheme. Clause (g) of sub-section (9) of that section empowers the medical Council to make regulations for prescribing **any** factors that may be taken into account by the Council while considering the scheme submitted to it.

2. Sub-section (1) of section 10B empowers the Central Government to make rules relating to admission of foreign students to any course of study or training in a medical college.

3. Section 10C empowers the medical college to make regulations relating to levy and collection of tuition fee or any other fee or deposit or other amount from students of medical colleges.

4. Clause 17 of the Bill seeks to insert new sections 14A and 14B. Section 14A empowers the medical Council to make regulations for specifying certain restrictions relating to eligibility of foreign nationals for enrolment on the Indian Medical Register.

5. Section 14B empowers the medical Council to make regulations for specifying certain restrictions on foreign nationals for granting temporary registration.

6. Clause 20 of the Bill seeks to insert new section 19AA. Sub-section (2) of that section empowers the medical Council to make regulations for conducting the all India examination and for allotment of candidates to various medical colleges as a result of such examination.

7. Clause 22 of the Bill seeks to insert new sections 20B and 20C. Sub-section (4) of section 20B empowers the medical Council to make regulations for laying down the procedure to be followed by the disciplinary committee.

8. Clause (e) of sub-section (2) of section 20C empowers the Central Government to make rules to specify any matter with reference to which the disciplinary committee may exercise the powers of a civil court.

9. Clause 24 of the Bill seeks to substitute new sections for sections 22 to 24. Sub-section (3) of section 22 empowers the medical Council to make regulations for specifying the form and manner in which an application shall be made for enrolment as a medical practitioner and also the fees which shall accompany the said application.

10. Section 23 empowers the medical Council to make regulations for specifying the form and manner in which an application shall be made

for renewal of the enrolment of a medical practitioner and also fees which shall accompany such application.

11. Sub-section (3) of section 24 empowers the Central Government to make rules for specifying the form, manner, time within which and conditions subject to which an appeal may be made and also the fees which shall accompany such appeal.

12. Clause 28 seeks to amend section 33 of the Act to enable the medical Council to make regulations for prescribing the age, qualifications and minimum requirements for admission in universities or medical institutions for grant of recognised medical qualifications, in addition to other matters already specified in that section. It also seeks to insert a new section in that section to enable the medical Council to make regulations for the conduct of examination for admission to medical courses.

13. Clause 29 of the Bill seeks to insert new sections 33A to 33F. Section 33B empowers the Central Government to give directions to the medical Council for carrying out any provision of the Act or any order, rule or regulation made thereunder. Section 33C empowers the Central Government to remove any difficulty which arises in giving effect to any provision of the Act, as proposed to be amended by this Bill subject to the condition that no order for removing the difficulty shall be made after the expiry of a period of two years from the appointed day.

14. As the matters in respect of which rules or regulations may be made pertain to matters of technical detail and procedure, the delegation of legislative power is of a normal character.
